Canonical: <https://staging-empowerfamilylaw.yottadigital.net/>

Details:

{EM.POW.ER} : to make someone stronger and more confident by giving them the power or authority to control their life and claim their rights.

Our Mission

We help clients navigate family law matters with clear advice, practical strategy and trusted representation.

Service

From your first consultation to resolution, we provide responsive, compassionate legal support tailored to your family's needs.

Expertise

Specialists in mediation, parenting matters and dispute resolution, with experienced representation when litigation is required.

Resolve

Everyone deserves clear legal advice and practical solutions.

Your first 30-minute consultation is free. Call +61 3 7020 6542 to speak with our team, or book a consultation .

Family law services

Family law matters can affect your children, home, finances, safety and future. We explain the options that apply to your circumstances and help you choose a practical path forward. Our services include:

Parenting and child custody , including parenting arrangements and disputes about children

Property settlement , superannuation and other financial matters after separation

Divorce and separation

Binding financial agreements

Child support and spousal maintenance

Family violence and intervention orders

Consent orders

De facto relationships

Grandparents and other carers

Child relocation

Family mediation and dispute resolution

Urgent family law issues

We work with clients across Victoria and offer flexible consultation options, including remote appointments.
